- Non-Competitive Grant
- Programs must be FUN

**Afterschool & Summer Learning  
Day at the Capitol May 2nd, 2017**

# Exploring STEM Municipal Summits

## STEM Strategic Plan Goals & Strategies

### A few Take-Aways from the Road:

- Importance of incorporating STEAM into our schools and communities.
- Hearing from students
- Making connections with people who can help move our school improvement goals forward
- Economic data about our specific region
- STEM isn't separate, it's part of everything
- Vastness of the STEM efforts, regionally & statewide
- We must help minority, ELL & students in poverty  
- TODAY!

# Family Engagement in STEM
