

# YMCA of Douglas County

## Mission

The YMCA mission is to build strong kids, strong families and strong communities.

## South County YMCA: STEM Beyond School

Beginning three years ago to provide safe, enriching afterschool programs to underserved rural youth, the STEM Beyond School program serves 45–50 youth who are provided the program at no cost to their families.

Whether they're tending garden seedlings or navigating the mysteries of electronic circuitry, students involved in YMCA STEM Beyond School are going beyond hands-on learning with computer coding, robotics, and field trips. Participants are finding out that science and math are fun. Better yet, they are learning that these subjects can lead to dynamic careers.

Grades: K-8

Hours and location: 3:30-5PM Monday - Thursday during the school year at Canyonville School

Partners: Douglas County Partners for Student Success, Umpqua Valley STEAM Hub, South Umpqua School District, Alder Creek Community Forest

## South County YMCA: Summer Swim Bus

Beginning three years ago to provide swim lessons and water safety experiences to underserved rural youth, the South County YMCA Swim Bus Program serves 10-15 youth per day in this twice weekly program at no cost to their families. The program includes transportation from Canyonville to the South Umpqua Memorial Pool in Myrtle Creek, a healthy snack, swim lessons and water safety skills training, and arts & crafts.

Grades: K-8

Hours: Two afternoons a week through the summer months
