

In Partnership
with Code.org®

May 21st and 22nd 9:00AM-1:00PM

CODE.ORG'S CS FUNDAMENTALS

Oregon Child Development Coalition
9140 SW Pioneer Ct Wilsonville OR, 97070

Code.org's Computer Science Fundamentals curriculum is completely free for anyone, anywhere to teach. Attendees learn how to use Code.org's courses to introduce computer science basics in a format that's fun and accessible to the youngest learners (grades K-5).

Oregon Registry Credit: Set 2, 8 hours, LEC
