## IBM CYBER DAY FOR GIRLS AUGUST 1, 2018

Designed for girls in grades 7 & 8, [#IBMCyberDay4Girls](#) helps to build knowledge of cybersecurity through a fun day of learning, **games and giveaways!** Expose young girls to opportunities in STEM (science, technology, engineering, math) while they learn about solving real world problems and protecting their online identities. Students will learn about exciting careers in cybersecurity as we introduce them to **female role models** studying and working in the field. This day of **hands-on learning** and exploration will help inspire young girls and provide connections to opportunities that lay ahead. [Register Now for FREE](#)
