

OregonASK Partner Committee Meeting Dates 2018-19

OregonASK convenes our Partner Committee every few months to share resources, knowledge, and opportunities related to out-of-school time. Our Partner Committee members represent a diverse network of out-of-school time stakeholders, including program directors, non-profit organizations, government bodies, and community and industry partners.

Our Partner Committee meetings are an opportunity to network and develop partnerships, to connect with local and national out-of-school time initiatives, and to help guide the work of the Oregon Statewide Afterschool Network.
