Leadership in Afterschool: Emotional Intelligence
Emotional Intelligence is the ability to reason with and about emotions. It is critical to the success of youth programs that the adults leading programs have solid emotional intelligence skills. In this session we will examine emotional intelligence, and explore the skills associated with it & how our skills as adults impact the students in our programs.

Leadership in Afterschool: Giving and Receiving Feedback

We can find a lot of ways to grow personally and professionally by working in an afterschool program. That growth is enhanced in a program culture that values two-way feedback. In this session we will examine the benefits of effective feedback and explore strategies for giving and receiving meaningful feedback.
