Reimagine What's Possible!

Afterschool professionals have worked endlessly to support youth, families, and our communities.

We pivoted in response to the crisis. Now we reimagine what afterschool can and should be in a time of unknowns. We are flexible, resilient, nimble, clever and powerful. Join us as we convene virtually to learn, collaborate and connect together.

Over 16 hours of professional development workshops including social-emotional learning, behavior management & engagement strategies, equity, inclusive practices, STEM, and art to promote youth voice.
